

REMARKS

The remarks in this paper are responsive to a Notice of Non-Compliance dated April 7, 2005. The Notice stated that the Applicant's Office Action response of 4/4/2005 did not include a complete listing of the claims. The Notice also stated that only the "Amendments to the claims" portion of the Office Action response of April 4, 2005, needed to be resubmitted in its entirety.

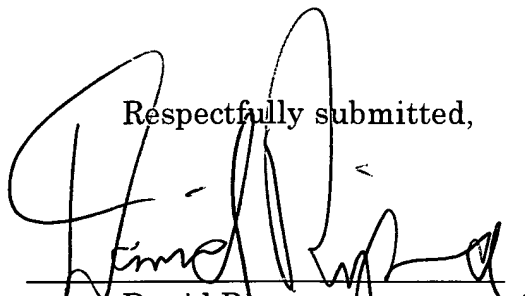

In response, this paper resubmits the claims amendments made in the Office Action response of 4/4/2005, including the addition of a statement noting that claims 1-7 have been canceled. Since the Notice stated that only the claim amendments need resubmission, the Applicant assumes that the Remarks made in the Office Action response of 4/4/2005 have been entered. Therefore, in the interest of brevity, the remarks made in the response of 4/4/2005 have not been repeated in the instant response.

It is believed that the application is in condition for allowance and reconsideration is earnestly solicited.
